EDUCATION

A. G. Patil Institute of Technology B.Tech Computer Engineering — CGPA: 8.04	2023 – 2026
Government Polytechnic, Solapur Diploma in Information Technology — Percentage: 83.63%	2020 – 2023

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript, TypeScript, Python
- **Web Technologies:** React.js, Node.js, Express.js, HTML, CSS, Tailwind CSS, Bootstrap
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Core Computer Science:** Data Structures & Algorithms, Operating Systems, Computer Networks, DBMS, SDLC
- **Tools & Platforms:** Git, GitHub, Postman, Firebase

PROJECTS

Digital Mental Health System — GitHub <i>MERN, Python, OpenCV</i> • Developed full-stack MERN application with JWT authentication and REST APIs. • Integrated AI chatbot and emotion detection using Python and OpenCV.	Sep 2025 – Present
Online Voting System — GitHub <i>PHP, MySQL, JavaScript</i> • Built secure voting system with role-based authentication. • Prevented duplicate voting and designed responsive UI.	Feb 2025 – Sep 2025
Driver Drowsiness Detection System — GitHub <i>Python, OpenCV, CNN</i> • Developed AI-based fatigue detection system using CNN and OpenCV. • Implemented real-time alert system to improve driver safety.	Mar 2025 – Jun 2025
Code Club AGPIT Web Platform — Website <i>React.js, Node.js, TypeScript</i> • Built full-stack platform using MERN stack and REST APIs. • Ensured responsive design and cross-browser compatibility.	Jan 2024 – Jun 2024

EXPERIENCE

WordPress Developer Intern – DK Techno's • Developed and customized WordPress websites using themes and plugins. • Assisted in deployment and basic performance optimization.	Jul 2022 – Oct 2022
--	---------------------

PUBLICATION

Driver Drowsiness Detection System – IRJMET Published research on AI-based real-time fatigue detection using OpenCV.	May 2025 – Jun 2025
---	---------------------

ACHIEVEMENTS & CERTIFICATIONS

Udemy Certification – Java Programming	2026
First Prize – Avishkar Project Competition	2025
First Prize – Industrial Training Project Competition	2023

POSITIONS OF RESPONSIBILITY

Hackathon Coordinator – Organized coding events and coordinated technical teams	2025
Code Club Member – Active contributor to developer community	2025
Placement Committee Member – Facilitated campus recruitment activities	2025
